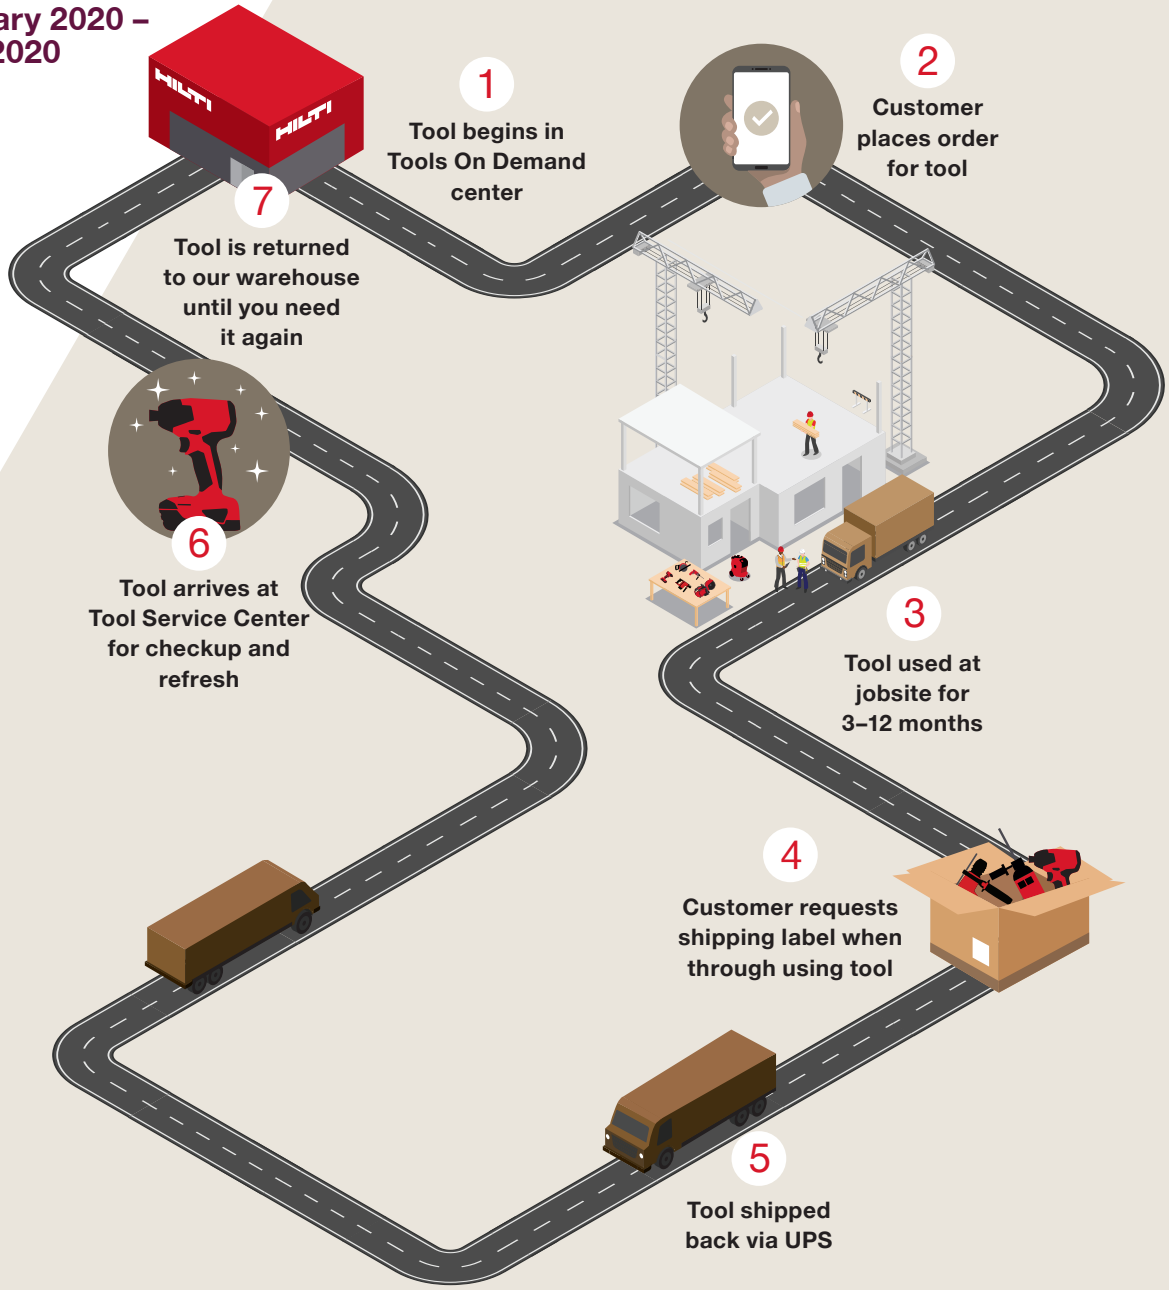
TOOLS ON DEMAND

Valid February 2020 – December 2020



Commonly experienced pain points	Hilti's Tools on Demand provides...
✗ Lack of transparency of annual tool cost	✓ Known costs and accountability, no upfront cost
✗ Purchasing tools for peak project demands	✓ Flexible tool up/tool down for peak demands
✗ Purchasing new tools when they break/go missing	✓ Replacement tools available when tool breaks at no cost
✗ Lack of tool tracking and accountability	✓ Visibility of all tools on hand

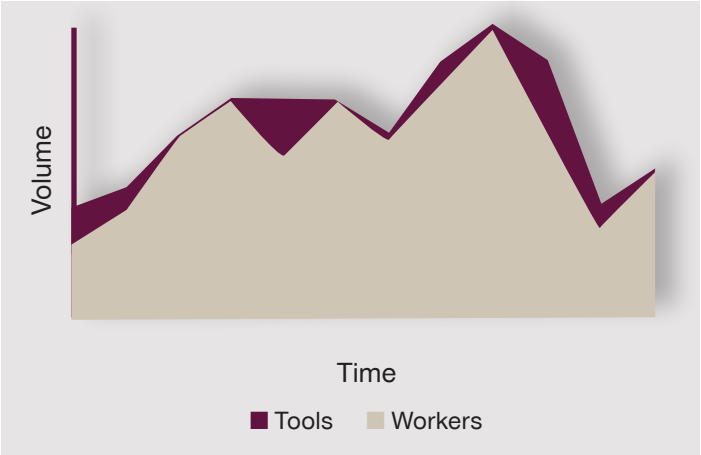
CUSTOMIZED TOOL SOLUTIONS

Stop paying for tools you don't need

Hilti's Fleet Management and Tools on Demand programs help enable you to optimize your company's tool inventory and overcome the headaches and costs of project tool needs. These two unique services allow you to maintain the core tools needed for everyday use with a flexible option to tool up or down based on project demand.

Contractors typically carry surplus tool inventory

Fleet Management and Tools on Demand contractors only carry and pay for what they need



HOW DO I KNOW IF FLEET MANAGEMENT AND TOOLS ON DEMAND WOULD BENEFIT MY COMPANY, AND WHAT ARE THE NEXT STEPS?

1. Allow us to analyze your tool crib and processes
2. We'll then build a customized solution based on your company and project needs
3. Our team will help remove any old tools, and train your crews on the new

Prices valid February 2020 – December 2020 through Customer Service and Hilti Account Managers. Prices do not include tax. Prices are for products as imaged in brochure only. Hilti may cancel offers at any time without notice. Offers only apply to purchases direct from Hilti and only available while supplies last. May not be combined with any other offer. Monthly charges require a Fleet account. Offers void where restricted or prohibited by law, regulation, or customer rules. See your Hilti representative for details.
