Hilti. Outperform. Outlast.

Business evolves.

Now your tool crib can evolve with your business.

Hilti customers have options. Tool Fleet Management provides a core set of tools for a low monthly rate with full service for a term of several years. The new Tools On Demand program lets you use Hilti tools for seasonal or project needs. And if you need tools for just a few days, one of our many independent rental outlets across North America can help.
