To Whom It May Concern:

Re: Hilti CP 637 Firestop Mortar – LEEDs Info.

The Hilti CP 637 Firestop Mortar is manufactured in Great Britain.

The Hilti CP 637 Firestop Mortar pail is made of polyethylene and can be completely recycled. There is no post-consumer or post-industrial content in Hilti CP 637 Firestop Mortar. The Hilti CP 637 Firestop Mortar does not contain any Rapidly Renewable Materials. There is no detectable VOC content in Hilti CP 637 Firestop Mortar.

Hilti CP 637 Firestop Mortar is not regulated as a hazardous waste by the Federal EPA Standards. The regulations for the disposal of non-regulated industrial waste can vary from state to state and even city to city. For this reason, you should consult your local and state regulatory agencies for direction on disposal.

Please feel free to contact me at (918) 872-3704 if you have questions.

Sincerely,

A handwritten signature in black ink that reads "Jerry Metcalf". The signature is written in a cursive, flowing style.
