To Whom It May Concern:

Re: **Hilti HIT-ICE Cold Weather Adhesive – LEED Information**

Item Number: 2055412

The Hilti HIT-ICE Cold Weather Adhesive is manufactured in Germany.

The amount of post-consumer and post-industrial material in the HIT-ICE Cold Weather Adhesive is not known and it cannot be recycled.

The HIT-ICE Cold Weather Adhesive does not contain any Rapidly Renewable Materials.  
The VOC content in HIT-ICE Cold Weather Adhesive is less than 1.0 g/l.

The HIT-ICE Cold Weather Adhesive is not regulated as a hazardous waste by the Federal EPA Standards.

The regulations for the disposal of non-regulated industrial waste can vary from state to state and even city to city. For this reason, you should consult your local and state regulatory agencies for direction on disposal.

Please feel free to contact me at (918) 872-3704 if you have questions.

Sincerely,

A handwritten signature in black ink, which appears to read "Jerry Metcalf". The signature is written in a cursive style.
