The Hilti CP 675T Firestop Board, T-Bar, Z-Frame and L-Sleeve are manufactured in the United States.

The amount of post-consumer recycled content and pre-consumer recycled content used in the manufacture of Hilti CP 675T Firestop Board is not known. The VOC content of Hilti CP 675T Firestop Board is 1.9 g/L.

Hilti CP 675T Firestop Board is not regulated as a hazardous waste by the Federal EPA Standards. The regulations for the disposal of non-regulated industrial waste can vary from state to state and even city to city. For this reason, you should consult your local and state regulatory agencies for direction on disposal.

Please feel free to contact me at (918) 872-3704 if you have questions.

Sincerely,

Jerry Metcalf MPH, CHMM
Sr. Manager, Safety/Environmental
