FABRICATION ORDERING INSTRUCTIONS

1. Provide the fabricator with an “a” (the “a” dimension will be dictated by the curtain wall insulation thickness, i.e. “a” = 2 (in.) for a 2 (in.) thick curtain wall insulation).
2. For fastening requirements of Z clips, please refer to designated listing (HI/BPF 120-37)
3. Enter the total quantity of pieces that you will need to complete the order.
